206 **CalWORKs** Assembly
\$300,000

Governor proposed to eliminate CalWORKs, effective October 1, 2010, for net General Fund savings of \$1.2 billion in 2010-11. The annual savings per year are \$1.6 billion, with corresponding loss of \$3.7 billion in the federal TANF block grant [plus additional federal funds during the period of the ARRA Emergency Contingency Fund (ECF)].

Senate
\$0

Difference
\$300,000

Assembly rejected the elimination proposal and instead, from the Jobs and Economic Security Fund, (1) appropriated \$1.5 billion to fund CalWORKs employment services and child care, backing out TANF to use for CalWORKs grants, ultimately freeing General Fund and (2) provided an additional \$300 million to partially restore a budgeted \$375 million reduction for employment services and child care in 2010-11.

Senate rejected the elimination proposal.

The Budget Advisory Workgroup would further develop the provider fee proposal.	Difference \$150,000

-----	---	-----------------	--

Assembly adopted Trailer Bill Language to require Administration to construct a cost-benefit model for analyzing fraud-prevention program changes and to report on considerations, costs, and deterrence-related assumptions. The cost-benefit model would be required for: 1) implementation of anti-fraud activities in IHSS, and 2) any future proposals in IHSS or other social service programs. Program changes enacted in 2009-10 that have yet to be implemented (including unannounced home visits and targeted mailing policies), would be subject to this requirement.	Senate \$0 Difference \$0

203	Social Security Income/State Supplementary Payment (SSI/SSP) Benefits	Assembly \$0

		Difference \$0	
	Assembly adopted Supplemental Report Language directing DSS to convene a workgroup to evaluate estimated effects of eliminating the cash-out policy. The direction only takes effect if the state receives a positive response from the federal government regarding its request to consider changing the policy for only SSI/SSP recipients whose households would benefit.		
	Senate adopted Budget Bill Language requiring DSS to report to the Legislature regarding the federal government’s response to the same request.
