California Public Benefits Legislative Bill & Budget Action Tracker #2018-11– August 16, 2018

Sad Facts about CalWORKs 2018

- California has the highest child poverty rate in the United States of America.
- California has \$3.9 billion Federal TANF available for CalWORKs in 2018-2019. Only \$1.9 billion will be allocated to CalWORKs. The remaining \$2 billion will be treated as “CalWORKs Contribution to the General Fund”.
- Only 40% of CalWORKs families get aid for their family size.
- 60% of the families are getting aid for one or more less persons – compliments of CalWORKs sanctions, penalties, time limits and other anti-child and punitive features of the CalWORKs program.
