Re: Invitation to Assist My Office on Legislation Related to Welfare Fraud

Dear Legal Aid Program Executive Directors:

Please consider this an official request for representatives from California's Legal Services Corporations (LSC) funded programs to provide information and input to my office about legislation we are considering introducing related to welfare Fraud. This input can be provided in written and/or oral form.

Should your staff share information with my office directly, my office will share the communication with other legislative staff, committee, agencies and the executive branch as we deem appropriate.

My intention with this request is to ensure that I and my staff fully understand the policy under consideration and impact on constituents who are also your clients. I understand that the LSC-funded programs in California are:

Bay Area Legal Aid
California Indian Legal Services
California Rural Legal Assistance, Inc.
Central California Legal Services Community
Legal Aid SoCal
Greater Bakersfield Legal Assistance

Inland County Legal Services
Legal Aid Foundation of Los Angeles
Legal Aid Society of San Diego, Inc.
Legal Services of Northern California
Neighborhood Legal Services of Los Angeles

Thank you for providing important information to help us ensure improved public benefit programs for people in our district and across California.

Sincerely,

A handwritten signature in black ink, reading "Nancy Skinner". The signature is written in a cursive, flowing style.
