Any funds not used for this purpose shall revert to the General Fund. The amount allocated shall be available for encumbrance or expenditure until June 30, 2024.
2. Notwithstanding any other law, upon approval and order of the Director of Finance, the amount appropriated in this item shall be reduced by the amount transferred in Item 0250-011-0001 to provide adequate resources to the Judicial Branch Workers' Compensation Fund to pay workers' compensation claims for judicial branch employees and justices, and administrative costs pursuant to Section 68114.10 of the Government Code.

 16. The Judicial Council shall contract with the University of California Firearm Violence Research Center at the University of California, Davis, or an equivalent entity to conduct the evaluation of the firearm relinquishment program and

submit a report to the Legislature pursuant to Section 9795 of the Government Code, no later than March 1, 2025. Any funds unspent for this purpose may be allocated to the courts that receive funding from the Judicial Council pursuant to Provision 12 for the uses specified in Provision 13.

18. By October 1 of each year, beginning in 2023 and ending in 2025, the Judicial Council shall provide a report to the Joint Legislative Budget Committee describing how the funding has been allocated, how the funding has or will be used by each court, the structure of the program at each court, the roles and responsibilities of the court and its contractors, any implementation challenges or other challenges faced, and key data outcomes by each court. Such outcomes, at minimum, shall include: the number of filings addressed by type of order, the number of firearm-related background checks conducted, the range and average number of days from the firearm and ammunition prohibition by the court to removing or confirming relinquishment, the number of individuals who relinquish firearms voluntarily, the number relinquished, to whom the firearms were relinquished, and the number of firearms removed by law enforcement and their disposition.
19. Of the funds appropriated in Schedule (3), \$2,534,000 is available for the implementation of the Community Assistance, Recovery, and Empowerment Court. These funds are contingent upon adoption of statutory changes codifying the Community Assistance, Recovery, and Empowerment Court.

SEC. 228. Section 11.96 of the Budget Act of 2022 is amended to read:

SEC. 11.96. (a) It is the intent of the Legislature in enacting this section to provide flexibility for administrative adjustments, to fully spend the

\$27,017,016,860 in federal funds allocated from the Coronavirus State Fiscal Recovery Fund as authorized by the federal American Rescue Plan Act of 2021 (P.L. 117-2), that support the state's response to the COVID-19 public health emergency, address the negative economic impacts caused by COVID-19, support eligible infrastructure, or are otherwise eligible expenditures pursuant to federal law or guidance. These funds shall be deposited in the Coronavirus Fiscal Recovery Fund of 2021 and may earn interest. Up to \$10,000,000 of the interest earned from these funds may be used to address unanticipated workload. Additional interest earned from these funds shall not be spent without an appropriation by the Legislature in another statute.

(b) Except as provided in this section, allocations of these funds shall be made in the annual Budget Act or another statute. Section 28.00 does not apply to the funds described in this section.

(c) Notwithstanding any other provision of this act or any other law, any appropriation from the Coronavirus Fiscal Recovery Fund of 2021 shall be available for expenditure or encumbrance through June 30, 2024, unless an earlier deadline is specified at the time of appropriation. These dates may be extended if the Director of Finance determines a later deadline is authorized by the federal government or that a department will complete the program, project, or function such that funds will be expended or encumbered by December 31, 2024.

(d) The Department of Finance may authorize the establishment of positions and transfer amounts within a program, project, or function, in or between a department's state operations, local assistance, and capital outlay items, to support the implementation of the same programmatic purpose appropriated by the Legislature from the Coronavirus Fiscal Recovery Fund of 2021, pursuant to this act. Any transfer or reallocation for other purposes shall require an appropriation by the Legislature in another statute.

(e) The Director of Finance may adjust any item of appropriation to reallocate funds not encumbered as of August 1, 2024, to ensure funds are expended or encumbered by the federal deadline for other allowable activities.

(f) Until all funds are expended or encumbered, the Director of Finance shall annually report in writing by March 1 the amount of unexpended or unencumbered funds by program to the Joint Legislative Budget Committee and the chairpersons of the committees in each house of the Legislature that consider appropriations.

(g) All obligations from the Coronavirus Fiscal Recovery Fund of 2021 shall be liquidated by the end of the period of performance of December 31, 2026, unless the Director of Finance determines this deadline should be adjusted pursuant to any changes authorized by the federal government, including regulations or federal guidance.

(h) The funds described in subdivision (a) may be allocated to offset or reduce appropriations in the 2020–21, 2021–22, and 2022–23 fiscal years for eligible activities.

(i) The Director of Finance may authorize the augmentation of the funds described in subdivision (a) for expenditure to conduct an audit or address audit findings to mitigate and ensure full compliance and use of these funds for the intended purposes in subdivision (a) consistent with federal requirements for any program, project, or function in the schedule of any item of appropriation in this act. If no item for a department currently exists, then an item may be created for this purpose.

(j) The Director of Finance may transfer funds from the Coronavirus Fiscal Recovery Fund of 2021 to any other state fund to offset actual expenditures in the 2021–22 and 2022–23 fiscal years related to the state's direct response to the COVID-19 public health emergency.

(k) The Director of Finance is authorized to initiate the reversion of unspent funds from an appropriation for a specific programmatic purpose from the Coronavirus Fiscal Recovery Fund of 2021. (l) The Director of Finance may transfer up to \$17,247,761,000 from the Coronavirus Fiscal Recovery Fund of 2021 to the General Fund over fiscal years 2021–22 and 2022–23 combined based on the estimated amount of revenue loss calculated pursuant to federal statute and guidance from the United States Treasury Department. The notification requirement in subdivision (p) does not apply to this transfer. However, the Director of Finance must notify the Joint Legislative Budget Committee if the amount transferred pursuant to this paragraph is less than \$17,247,761,000 within 10 days after the transfer.

(m) For direct disaster response costs in the 2021–22 and 2022–23 fiscal years based upon actual expenditures, as determined by the Department of Finance, the Director of Finance may reduce up to \$486,000,000 allocated to direct disaster response from the Coronavirus Fiscal Recovery Fund of 2021 in the Budget Act of 2021 (Chs. 21, 69, and 240, Stats. 2021) and instead allocate that amount from the General Fund. Of this amount, the Director of Finance may allocate General Fund moneys to any other state fund to offset actual expenditures in those fiscal years related to the state's direct response to the COVID-19 public health emergency. The funds allocated pursuant to this subdivision shall be available for encumbrance or expenditure until December 31, 2026.

(n) (1) For a purpose specified in paragraph (2), the Director of Finance may reduce an amount appropriated from the Coronavirus Fiscal Recovery Fund of 2021 in the Budget Act of 2021 (Chs. 21, 69, and 240, Stats. 2021) and instead allocate that amount from the General Fund. This reduction and corresponding allocation from the General Fund may be for an amount up to, but not exceeding, the amount specified for the purpose listed in paragraph (2). If no item for a department currently exists to allow for a General Fund allocation, an item may be created for this purpose. The Controller shall shift any accounting transactions posted from the

Coronavirus Fiscal Recovery Fund of 2021 to the General Fund as directed by the Director of Finance. The funds allocated pursuant to this subdivision shall be available for encumbrance through June 30, 2024, and expenditure until December 31, 2026.

This reduction and corresponding allocation from the General Fund may be for an amount up to, but not exceeding, \$4,114,054,000. If no item for a department currently exists to allow for a General Fund allocation, an item may be created for this purpose. The State Controller shall shift any accounting transactions posted from the Coronavirus Fiscal Recovery Fund of 2021 to the General Fund as directed by the Director of Finance. The funds allocated pursuant to this subdivision shall be available for encumbrance or expenditure until December 31, 2026.

For purposes of paragraph (1), the Director of Finance shall consider funding for transformative planning and implementation activities in a revised allocation plan.

(p) Adjustments, including reversions, authorized pursuant to this section shall not be expended or reverted prior to 30 days after the Director of Finance notifies the Joint Legislative Budget Committee in writing of the purposes of the planned expenditure or reversion and the justification for the amount proposed for expenditure or reversion.
